THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)). I began working for the above named-employer on or about May 20, 2019, as a Journeyman Iron-Worker. On or about June 7, 2019, I complained and was interviewed about my complaint of sexual harassing language by a co-worker. The Respondent investigated and took corrective action against the harasser. However, I immediately suffered retaliation for making the complaint. Specifically, I was immediately moved to another work location and isolated from others performing the work I was hired to do and denied work assignments by the Supervisor on-site. I complained via a certified letter to the Respondent, on the same day they received the complaint I was discharged. I am aware that a male co-worker heard the sexually harassing behavior, complained on my behalf, but was not subjected to the same treatment as me. I believe I was transferred, subjected to different terms and conditions of employment and subsequently discharged, in retaliation for complaining of sexually harassing language, due to my gender, female, in violation of Title VII of the Civil Rights Act of 1964, as amended.			
I want this charge filed with both the EEOC and the State or local Agency, if any.
